

Calling People of Faith to SOCIAL JUSTICE!

Did you know Canada along with
191 countries promised to halve the
number of people living on less than
\$1/day globally by 2015?

In the year 2000, Canada committed to fulfill the
Millennium Development Goals (MDGs)
by 2015.

We are not on track.

We cannot remain silent.

Create an event with a handful or auditorium full of
children, youth, adults, seniors or all ages before March 31, 2011.
Gather with another faith group or denomination or inspire the youth
generation to mobilize Canadians of all ages in your riding to speak to
your **Member of Parliament** about the importance of the MDGs and
how to fulfill our promise by 2015, to...

*Eradicate extreme **poverty** & hunger*
*Achieve universal primary **education***
*Promote gender **equality** and empower women*
*Reduce **child mortality***
*Improve **maternal health***
*Combat HIV/AIDS, malaria and other **diseases***
*Ensure **environmental** sustainability*
*Develop a global **partnership** for development*

...five years remain. Let's gather people of faith to lead the
way, encouraging our federal government to fulfill the Millennium
Development Goals by 2015!
