Parish of Douglas and Nashwaaksis  
Diocese of Fredericton

I am opposed to same sex marriages being performed by the Anglican Church. This contravenes what I have been taught as an Anglican and as a confirmed member of the Church. Since those who wish to married legally do have an option, I fail to see why they would feel it necessary for the church to conform to a policy that is counter to the teachings of the Bible, on which our church is based and which they do not respect.
