

Collect for the Council of the North

Almighty God, giver of every perfect gift; We remember before you, our brothers and sisters who live in the parts of our Church served by the Council of the North. Where your Church is poor, enrich and empower it; where there is need for clergy, call them forth; where it is spread thin by geography, bind it with cords of love; where there is conflict, bring reconciliation. Give to us, with all our brothers and sisters, that due sense of fellowship in your Kingdom, that you may be glorified in all your saints, through Jesus Christ, your Son, our Lord. Amen.

Thank You
