I want to thank all those who put forward names for consideration by the Officers in naming the Commissioners. All were thoughtfully and prayerfully considered.

I also want to point out that within the Terms of Reference, there is provision for the Commission to *“invite submissions from specific individuals or groups on the overall question or on particular points that the Commission is considering, and may appoint advisors to assist*

Those who have accepted appointment of this commission have accepted a very important piece of work on behalf of the Church. I ask for your prayers as they begin that work. May they know the wisdom and grace of the Spirit’s leading.
