

I am John Reader from the Parish of St. Mark, Ocean Park, Surrey. B.C., in the Diocese of New Westminster

I am against the marriage or blessing of same sex unions.

The Church Canon's should not change with each swing of the political pendulum. We must stand firm and lead the way.

Jesus taught us through his instructions to the Disciples to love our neighbor as ourselves and pray for them but not to condone or bless their sins.

I pray that our General Synod of 2016 will vote to stay with our present Canons on Marriage and not approve the blessing of same sex unions.

I also pray that I will not have to act like Lot and walk away from another Sodom and Gomorrah.

Respectfully submitted
