Commission on the Marriage Canon
Toronto, Ont.

To Whom this may concern:

I am writing to you about the same-sex couples marriage debate. What is there to debate? Scriptures (& many of them, you know them as well as I if you read your bible), tell us marriage is between male & female. Are we trying to kill the Anglican Church? or become a social club? We are to love ^{everyone} as God's children, as we are all equal, but also to be a light in this dark world.

yours In Christ,
Husband } Betsy O'Donnell.
