

Most of our members have been seriously concerned about the move towards the blessing of same sex unions in the Anglican Church in general and in our own diocese in particular. Therefore, the matter was brought up for consideration at an Annual General Vestry Meeting.

After much discussion the following motion was approved, with only one dissenting vote.

“Be it resolved that we the members are opposed to the blessing of same sex unions in St Joseph of Nazareth Anglican Church.”

Proposed changes to the Marriage Canon at the General Synod of the Anglican Church of Canada came up for discussion at our last Parish Council meeting on September 10, 2014. We advise that the Council and congregation are still strongly opposed to same sex marriage.

We hope you will take the concerns of our members into account and reverse the course towards the amending of the Marriage Canon in the Anglican Synod of Canada to allow for same sex marriage. If not, we expect to have the right to opt out.
