

I understand that
scripture talks
about a man and a
woman in marriage
(Abraham and Sarah
in Genesis).

A Christian marriage
is done by a minister
in church under
God's holy laws.

A Civil wedding is
not done at a church
and not by a minister.

A blessing isn't as
thorough as marriage.

There should be com-
panionship and
the bearing and

educating children in
the Christian way if
there is sexual in-
tercourse between
the married couple.
