St. Cyprian's Anglican Church Congregation, Didsbury Alberta

The topic of changing the marriage canon was discussed by our congregation after the service September 28th, 2014. It was decided since there was very little time to submit our feelings on this matter and that many of our older members were unable to do this survey on line that we would pass around a sheet that everyone could sign and that I Dorothy Fischer (Lay reader) would submit on their behalf. We had a congregation of twenty people. Six did not respond. One person was for the change but did not sign his name. The fourteen who have signed felt that in light of scripture - Genesis 1:27; Genesis 2:24; Matthew 19:5; Mark 10:7; Romans 1:24-27 we could not endorse this resolution. The following attached is a scan image of the paper that was sent around after the discussion. On behalf of the congregation of St. Cyprian's,

God Bless you,
In Christ, Dorothy Fischer

The Word became flesh and lived among us

We the congregation of St. Cyprian's
Anglican Church, Didsbury, Alberta
We have divided views and wish just
to give a vote on this issue.

I feel this should
be enacted, the
Canons should be
changed

Against Canon being
changed.
