

**General Synod 2016**

**Resolution**

**Subject: Statement of Affirmation**

**Moved by: Ms. Cynthia Haines-Turner, Deputy Prolocutor**

**Seconded by: The Ven Harry Huskins, Prolocutor**

**Be it resolved that this General Synod:**

Affirms that as our journey with Indigenous peoples continues, we remember the Covenant of 1994 and we receive with joy the Mission Statement for an Indigenous Anglican Spiritual Ministry within the Anglican Church of Canada of 2016.

We give thanks to God for the journey we have made so far and call on the Anglican Council of Indigenous Peoples and the Council of General Synod to lead the whole Church, as the Covenant prayer says, “to speak the truth in love and to walk in God’s way towards justice and wholeness.”
