

A Faithful Response to God's Mission

Parish Giving Program

PLANNING WORKBOOK

This Planning Workbook is a tool to gather all of the giving program elements together. Pull the ideas out of the Program Guide and make them your own to suit the specifics of your congregation.

This workbook helps you decide what you want to achieve and easily measure your success. Hard work and focus in this planning stage will likely lead to celebration in one or more areas later on.

Begin with determining the general shape of the program. Use the data tables to assist with setting goals; review the outlines for a one-, three- or five-week program and then use the checklists that are provided for each of the ways of inviting.

We suggest that each member of the Giving Team have a copy. It is a way of keeping track.

Setting Goals

If you have a goal, you have a dream to be fulfilled. You will know what you are working toward, and you will know if you are successful.

A parish giving program can have many different goals. While generous donations are an obvious goal, there are others, such as increasing participation rates, increasing donations received, or having more people converting to Pre-Authorized Remittance (PAR).

If this is your first giving program in a while—or in living memory—then we suggest that you begin with a clearly achievable goal. We encourage a range of goals and have provided a set of potential ones get you started.

Check all that apply, add specific details, and edit and add to the list to suit your parish's needs:

- To pray** about how we respond to God's mission in our community
- To ensure** that everyone knows about our mission and what we fund
- To include** our mission and ministry in our liturgy weekly
- To preach** about giving, generosity, and gratitude, and encourage discipleship
- To encourage** giving and generosity as a spiritual practice
- To tell the story** of our local mission and ministry in all our communications
- To invite every person** in our parish to make giving a regular part of their life of faith
- To increase participation** in giving to mission and ministry by _____% or by _____ individual givers. (For example, "We would like to welcome 20 new givers to our mission and ministry and have 20 other givers increase their gifts, so that the total giving increases by 10% and the average gift increases by 5%.")
- To increase** the average gift to mission and ministry by _____%
- To increase** the number of gifts for mission and ministry by _____%
- To set a total goal** for mission and ministry giving of \$_____
- To convert people to give** through Pre-Authorized Remittance (PAR) _____# or _____ % of givers
- To increase the gifts** from those who give through PAR _____# or _____ % of PAR givers
- To share stories** from the parish of why people give
- To thank each person** for their generosity in ways that are timely, personal, and sincere

Program Timeline/Plans

One-Week Program – Gratitude Sunday

This very short program focuses on gratitude and thanking. To begin to prepare the ground for a program that focuses on Inspiring, Inviting and Thanking, you might want to set aside time around one Sunday to focus on gratitude. A culture of generosity is built on a foundation of gratitude.

We thank God for the blessings in our lives. God is generous again, again, and again. Consider how you can say thank you or show gratitude again, again, and again—and in many different ways. Find opportunities to say thank you directly. Find opportunities to deliver it personally. Gratitude needs to be planned if it is to become a habit in your congregation.

Here are some ideas to get you started. Integrate one or more of these ideas into a liturgy or program with a focus on gratitude.

1. Preach on Gratitude

Share your own experiences of gratitude in a sermon.

Offer your own gratitude in a sermon.

Invite others to share their experience of gratitude.

2. Spiritual Practice

Invite members of the parish to joining in a discipline of

- keeping your own daily Gratitude Journal
- sending two (or five) thank-you cards a week to people you notice doing good things. If, or when, you run out of people in your parish, go wider—thank the teachers in the neighbourhood school, the first responders, the aides in the nursing home

3. Create a Gratitude Team

Gather a few people together over coffee and treats. Ask yourselves:

- Who is doing things in our parish that go unnoticed or unrecognized?

OR

- If we were expecting a visit from a distinguished visitor (the Bishop, or Archbishop Desmond Tutu), what ministries and achievements would we want to share and highlight? Who are the saints in your parish you would want to introduce to this visitor?

OR

- Identify the people involved in ministries and programs your parish is involved with: outreach, pastoral care, learning and formation, worship...
How are members of your parish contributing to the wider community, volunteering, sitting on boards...

Now, how can we thank these individuals in ways that are personal, timely, and sincere?

4. Gratitude Mailing

Create a gratitude package to give to every household in your congregation, sharing the things that your parish can be grateful for. Personalize it with a handwritten note with a specific thank-you for ways the person or family makes a difference.

Three-Week Program

This program focuses on discipleship, generosity, and gratitude, and uses a Letter of Invitation to every person.

Set yourself a modest goal, such as:

- Preaching on discipleship, generosity, and gratitude
- Inviting someone to tell their “Why I give” story to the congregation
- Writing two thank-you notes a week for two months
- Noticing when people do good things and making a habit of saying thank you to them
