

## Overview of Nominations to Standing & Coordinating Committees

*In nomination of persons to be elected or appointed to Coordinating Committees, geographic representation, expertise, experience and commitment to the ongoing life of the committee shall be the principal criteria. Consideration shall also be given to reflecting the diverse groups and individuals within the church and society. Consideration may be given to representation from churches in full communion with The Anglican Church of Canada*

*Constitution, VIII. Committees, 39B, p.26*
